

Meeting community needs in Arizona. More than **14,000** people of all ages and backgrounds are helping to solve problems and strengthen communities through **92** national service projects across Arizona. Serving with national and community nonprofit organizations, faith-based groups, schools, and local agencies, these citizens tutor and mentor children, coordinate after-school programs, build homes, conduct neighborhood patrols, organize local homeland security efforts, respond to disasters, and recruit and manage volunteers. This year, the Corporation for National and Community Service will provide more than **\$9,100,000** to support Arizona communities through three major programs:

Senior Corps: More than **4,600** seniors in Arizona contribute their time and talents in one of three programs: **Foster Grandparents**, who serve one-on-one with more than **1,400** young people who have special needs; **Senior Companions**, who help more than **800** other seniors live independently in their homes; and **RSVP** volunteers, who work with more than **500** local groups to meet a wide range of community needs, including safety patrols with local police departments, environmental projects, tutoring and mentoring, and responding to natural disasters.

AmeriCorps: This year, more than **500 individuals** are serving in Arizona communities as AmeriCorps members. In return, the members receive an education award of up to \$4,725 to help pay for college or pay back student loans. To date, more than **2,100** Arizona residents have qualified for education awards totaling more than **\$8,000,000**. Two-thirds of AmeriCorps grants are made by the Governor's Commission on Service and Volunteerism. National nonprofits, such as Teach for America and the Boys and Girls Clubs of America, make other assignments. Other members serve in AmeriCorps*VISTA, and AmeriCorps*NCCC (National Civilian Community Corps).

Learn and Serve America: Learn and Serve America provides schools, colleges, and community organizations with grants for service-learning. These grants help make it possible for more than **9,300** Arizona students to meet community needs while improving their civic and academic skills and learning the habits of good citizenship.

"AmeriCorps' achievements are indeed impressive: thousands of homes constructed; hundreds of thousands of senior citizens assisted to live independently in their own homes; millions of children taught, tutored, or mentored. Beyond the good deeds accomplished, AmeriCorps has transformed the lives of young people who have participated in its ranks. They have begun to glimpse the glory of serving the cause of freedom. They have come to know the obligations and rewards of active citizenship."
U.S. Senator John McCain

¹ This figure represents the number of enrolled members, as of March 15th, 2003. Many AmeriCorps programs have additional slots which may be filled during the 2002-2003 program year.

² This figure does not include the education award that each AmeriCorps member receives after completing a term of service. To date, more than **2,100** Arizona residents have qualified for education awards totaling more than **\$8,000,000**.

³ Arizona is served by the AmeriCorps*NCCC campus located in McClellan, California. In the past year, AmeriCorps*NCCC teams have served on projects in Phoenix, Sedona, and Tucson.

⁴ This program is a subgrant of a national program based in another state. State-by-state funding breakdowns are not available at this time, so funding is accrued to that program's home state.

Through the **President's Student Service Challenge**, students in kindergarten through college receive presidential recognition for their outstanding community service. Students who serve 100 hours or more are eligible for a **President's Student Service Award**. Since 1999, more than 780 Arizona students have received this award. In the **President's Student Service Scholarship** program, two students from each high school may receive a \$1,000 college scholarship for outstanding service to the community. Since 1997, more than 403 Arizona students have received these scholarships.

The **National Service-Learning Leader Schools** program recognizes middle and high schools for their excellence in service-learning. Mesa High School and the Saguaro High School in Scottsdale have been recognized as Leader Schools.
